```

The diagram illustrates an inheritance relationship. A box at the bottom, labeled 'ahbsd.lib.Exceptions.Exception< T >', has a vertical line extending upwards. This line connects to a horizontal line that spans the space between two boxes above. From the left end of this horizontal line, an arrow points up to the 'Exception' box. From the right end of the horizontal line, an arrow points up to the 'ahbsd::lib::Exceptions::IGenericException< T >' box.
